

Dear Residents,

Three short items to report

1. Recycling: A number of Ashurst Wood residents have recently been refused access to the Forest Row recycling site. Thanks to Forest Row Parish Council, they have negotiated that residents of Ashurst Wood can use the waste and recycling site in Forest Row during the refurbishment of the East Grinstead site.
2. Presentation to Mr & Mrs Howard (Bob and Angie): The Parish Council will be making a small presentation to Bob and Angie Howard on their retirement from The Newsstore and Post Office. Everyone is welcome to come along to the Three Crowns on Thursday 7<sup>th</sup> April at 7pm and wish them well in their retirement .
3. Village Spring Clean (organised by the Conservation Group): Reminder – this Sunday 10<sup>th</sup> April meet at the Village Centre 10 a.m.. The new litter pickers purchased with a grant from West Sussex County Council will be used for the first time. Also tea and cake afterwards for all participants!
