

Dear Residents,

A reminder about the Ashurst Wood Village Players and a notice about planning

2. Solar Panels on Village Centre: Ashurst Wood Parish Council have submitted an application to Mid Sussex District Council (MSDC) to install 16 photovoltaic panels on the south facing roof of the Village Centre in Maypole Road. Since this is an application made by the Parish Council, it is felt inappropriate for the Ashurst Wood Planning Committee to comment on it. However, members of the public who would like to make comment can do so directly to MSDC. The plans can be seen in the Parish Office or on-line at the MSDC web site. The reference for the application is 11/03267/FUL. All comments must be received in writing by 25th November 2011.
