### **Cycling on the Pavement**

East Grinstead Police receive numerous complaints about cyclists using the footpath. Please consider others by keeping to the road or using a cycle lane. If seen cycling on a footpath, a cyclist could be issued with a fixed penalty notice for £30.

### **Underage Drinking**

Local residents are expressing concern reference underage drinking and anti-social behaviour particularly on Lower Mere Green, Herontye and at Hurst Farm Pond. Parents/guardians you should know where your children are at all times. Please ensure that they do not have access to alcohol at home.

### **Parking Outside Schools**

The new school year will soon be with us, so I would like to take this opportunity to remind drivers to park safely and considerately outside schools. Please do not stop or park on the 'School Entrance – Keep Clear' zig-zag markings at the start and finish of the school day. Drivers found parking in this restricted zone could receive a fixed penalty notice. Also, do not park on pavements and be mindful of local residents who need to access their driveways.
